

1.5 POINTS

Using The McQuaig System™ for Leadership Development and Succession Management

LEARNING OUTCOMES:

Participants will focus on using The McQuaig System™ for internal initiatives such as personal and leadership development as well as succession planning. This webinar will review the McQuaig fundamentals and provide a detailed reviewed of the McQuaig Self-Development Survey®.

WHO SHOULD ATTEND?

- Line Managers
- HR Professionals
- McQuaig Interpreters who would like a refresher.

WHAT ARE THE BENEFITS OF ATTENDING?

Most of today's leaders cite employee retention and development as key to their company's success. Yet the amount of time and expense that it takes to develop and implement retention and leadership development programs can be prohibitive.

The Self-Development Survey provides great insight into an individual's strengths and areas for development. It provides valuable insights and an easy-to-understand Action Plan that can be implemented immediately.

2010 SESSIONS:
